VCL1007

Overview

The V7 cleaning products provide an optimal solution for all PC components and also for all other office equipment around the workplace. So a thorough and proper cleaning and thus a prolonged maintenance of value for your computer and office equipment is ensured.
The V7 Cleaning Kit for Smartphone & Tabletis specially made for the sensitive surfaces of electronic devices such as smartphones or tablet computers. Its alcohol-free and non flammeable chemical solution allows gentle and streak-free cleaning.
Spray cleaner on to the microfibre cloth, clean the surface and remove any residual liquid with a dry section of the Microfibre cloth.
